

# What is *Economic* Democracy?

Come discuss how we can create an economy that is for all of us, not just a privileged few.

**Jessica Gordon Nembhard** and **Gar Alperovitz** are giants in the movement to transition toward a compassionate and just political economy. They will share with us visions for an economy that truly supports freedom by valuing democracy, racial and gender justice, and ecological sustainability.

**Tuesday, 1/24**

**6:00 PM**

**Gewirz 12**

*Reception to follow.*
